

## INVITATION TO AHFE 2015

You are cordially invited to participate in the 6th International Conference on Applied Human Factors and Ergonomics 2015 and affiliated Conferences, to be held at Caesars Palace, Las Vegas, USA July 26-30, 2015. All distinguished Conferences are maintained jointly under one management and one registration. The conference objective is to provide an international forum for the dissemination and exchange of scientific information on theoretical, generic, and applied areas of human factors and ergonomics. This will be accomplished through the following six modes of communication: keynote presentation, parallel sessions, demonstration and poster sessions, tutorials, exhibitions, and meetings of special interest groups. The five-day conference will start with tutorials. The tutorials will be held on July 26-27, 2015. Tutorials will be offered at introductory, intermediate, and advanced levels covering the entire spectrum of the conference.

All submitted abstracts will be peer-reviewed by three independent referees from the international program boards. Papers in the theoretical category should deal with models, concepts, and structures; papers in the generic category should present research results of broad applicability; and papers in the applied category should show how the demands of particular application areas shape the way generic research is translated into practical innovation.

### PROPOSALS FOR PARTICIPATION

**Parallel Presentations.** An abstract of about 500 words should be submitted through our website ([www.ahfe2015.org](http://www.ahfe2015.org)) and include a statement of the objective and significance of the proposed presentation, description of methods, and discussion of results.

**Tutorials.** An abstract of 300 words should state the objective, content, target audience, a bio-sketch about the presenter(s) and A/V requirements. Please submit abstract through the AHFE2015 website.

**Poster/Demonstration Sessions.** An abstract of 300 words should be submitted through the web and should include the essence of the planned presentation. Equipment needed for demonstration is the responsibility of the author.

### SUMMARY OF SUBMISSION REQUIREMENTS & DEADLINES

	Abstract Length	Deadline for Abstract Receipt	Notification of Review Outcome	Deadline for Receipt of Accepted Papers
Paper presentations*	500 words	15 Dec 2014	After 15 Dec 2014	10 April 2015
Posters/demonstrations	300 words	10 Apr 2015	**	not applicable
Special interest groups*	500 words	10 Apr 2015	After 10 Apr 2015	10 April 2015
Tutorials	300 words	15 Dec 2014	After 15 Dec 2014	10 April 2015

All submissions should be done through our website: [www.ahfe2015.org](http://www.ahfe2015.org)

To provide a greater opportunity for more people to present at the Conference, each accepted paper should have a different conference registrant. However, co-authors may appear on multiple papers. For written cancellations received on or before 10 April, 2015, 90% of the registration cost will be refunded (including conference registration, tutorial fees, and reception dinner). 50% of the registration cost will be refunded if a written cancellation is received between 10 April - 10 May, 2015. No refunds will be made for cancellations received after 10 May, 2015. All cancellations must be submitted to the Conference Administrator at: [registration@ahfe.org](mailto:registration@ahfe.org)

\* If your submission was invited by a particular Session Chair, please mark as such and include their name when submitting.  
 \*\* Since frequently the intent of posters is to convey late-breaking scientific news and work in progress, they will be promptly peer reviewed as they are received.
